

Congratulations Major Edwards we did it!!!

Update on how we did as a community for the school year of 2017/2018

Price Chopper Tools for Schools Program:

Our school had 91 participants in the program and thanks to that our school earned 28,791 points. With those points the school was able to order lots of FREE supplies!!!

Stop & Shop A+ School Rewards Program:

Our school received a check for \$1198.45 thanks to all the folks that signed up for this program!

Box Tops for Education:

Our final tally for box top school earnings this year was \$971.50! That is 9,715 valid box tops were sent into school and library. Great job!!!!

Please note we will be doing these programs again next year. Along with new ones if we find some. A flyer is always sent out in the fall. So save your box tops over the summer!

Have a great summer everyone!!

Thanks!
